p.m. (Central Standard Time) on a business day, Saturday, Sunday or banking holiday(Days Federal Reserve and US Postal System are Not open for business), will be posted on the next business day. Online banking identifies transfers based upon the login ID of the user who made the electronic transfer. You agree to communicate with any other persons with authorized access to your accounts concerning any transfers or bill payments from your accounts in order to avoid overdrafts.

Grinnell State Bank is not responsible for overdrafts incurred as a result of multiple users accessing bill pay services.

For more information on the manner in which you will have access to the deposits made to your account please access the following [link](#) (Grinnell State Bank’s Funds Availability Notice).

Bill Payment and Transfer Limitations

You may use the Service to check the balance of your Eligible Account(s) and to transfer funds among your Eligible Accounts at this financial institution. However, current federal regulations restrict the number of transactions that you can make from certain types of accounts, such as Money Market and Savings Accounts. For these types of accounts, no more than 6 transfers and withdraws, or a combination of such transfers and withdraws, per calendar month or statement cycle (or similar period) of at least 4 weeks, to another account (including a transaction account) of the depositor at the same institution or to a third party by means of a preauthorized or automatic transfer, or telephonic (including data transmission) agreement, order or instruction, or by check, draft, debit card, or similar order made by the depositor and payable to third parties will be allowed. Transfers and bill payments authorized by personal computer through the Service are counted toward the six permitted monthly transfers. Federal regulations currently place no limits on the number of transfers or bill payments from your Checking, therefore this financial institution currently limits the Bill Pay Service to **only Checking**.

If a hold has been placed on deposits made to an account from which you wish to transfer funds, you cannot transfer the portion of funds held until the Hold expires.

Bill Pay Service

Bill Pay is an optional service which is available upon enrollment in Online Banking. Once you have enrolled in Online Banking, click on the “Bill Payment” tab to complete the enrollment process for the Bill Payment Service. In order to have access to the Service:

- You must have an Eligible Account with Grinnell State Bank.
- Only a Checking Account may be eligible for Bill Pay Service privileges.

For additional terms and conditions for this service please refer to the “GSB Bill Pay Terms”.

Retail Online Terms and Conditions as of December 2018:

Overdrafts (order of Payments, transfers, and other withdrawals)

If your account has insufficient funds to perform all electronic fund transfers you have requested for a given business day, then:

Electronic funds transfers involving currency disbursements, like ATM withdrawals, will have priority;

Electronic fund transfers initiated through online banking which would result in an overdraft of your account may, at our discretion, be canceled;

In the event the electronic funds transfers initiated through online banking which would result in an overdraft of your account are not canceled, overdraft charges may be assessed pursuant to the terms of the deposit agreement for that account.

You agree to pay such charges and authorize us to deduct the calculated amount from your designated Billing Account for these amounts and any additional charges that may be incurred by you. Other fees and penalties associated with your standard deposit accounts will continue to apply.

Disclosure of Account Information and Transfers

You understand information about your accounts or the transfers you make may automatically be disclosed to others. For example, tax laws require disclosure to the government of the amount of interest you earn, and some transactions, such as large currency and foreign transactions, must be reported to the government. In addition, we routinely inform Chexsystems when accounts are closed because they were not handled properly. We may also seek information about you from others, such as the credit bureau, in connection with the opening or maintaining of your account or in connection with approving your access to online banking. You agree and hereby authorize all of these transfers of information.

Periodic Statements

You will not receive a separate Bank statement. Transfers to and from your accounts using online banking will appear on the respective periodic paper statements for your Bank accounts and mailed directly to you. You may elect to discontinue receiving your account statement in paper form by contacting the bank and signing an “Internet Banking Monthly Statement Viewing Service and Cancellation of Monthly Paper Statement Agreement”. Grinnell State Bank reserves the right to change the method in which your monthly account statements are delivered to you. Any change will be communicated to you in advance.

Change in Terms

We may change any term of this Agreement at any time. If the change would result in increased fees for any online banking service, increased liability for you, fewer types of available electronic funds transfers, or stricter limitations on the frequency or dollar amount of transfers, we agree to give you notice at least 30 days before the effective date of any such change, unless an immediate change is necessary to maintain the security of an account or our electronic funds transfer system. We will post any required notice of the change in terms on the Bank website or forward it to you by e-mail or by postal mail, in accordance with regulatory disclosure requirements. Your continued use of any or all of the subject online banking services indicates your acceptance of the change in terms. We reserve the right to waive, reduce or reverse charges or fees in individual situations. You acknowledge and agree

that changes to fees applicable to specific accounts are governed by the applicable deposit agreements and disclosures.

In Case of Errors or Questions about Your Electronic Transfers, including Bill Payments

Contact us as soon as you can if you think your paper statement is wrong, or if you need more information about a transfer listed on your paper statement. We must hear from you no later than 60 days after we sent the FIRST paper statement upon which the problem or error appeared. When you contact us:

- **Tell us your name and account number**
- **Describe the error or EFT transfer you are unsure about, and explain as clearly as you can why you believe it is an error, or why you need more information.**
- **Tell us the dollar amount of the suspected error.**

If the suspected error relates to a bill payment made via the online banking Bill Payment Service, tell us the account number used to pay the bill, payee name, the date the payment was sent, payment amount, ID number, and the payee account number for the payment in question.

If you contact us by telephone or by e-mail, we may require that you send us your complaint or question in the form of paper writing by postal mail or fax within 10 business days.

We will communicate to you the results of our investigation within 10 business days, (20 business days if the transfer involved a new account), after you contact us and we will correct any error promptly. If we need more time, however, we may take up to 45 business days, (90 business days if the transfer involved a new account), to investigate your complaint or question. If we decide to do this, we will provisionally credit your account within 10 business days, (20 business days if the transfer involved a new account), for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and WE DO NOT receive it in written paper form, within 10 business days, we may not provisionally credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless you already have an established account with us before this account is opened.

If we decide that there was no error, we will send you a written explanation within 3 business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation. If we have made a provisional credit, a corresponding debit will be made from your account.

If you believe an error, other than an EFT problem or unauthorized transaction has occurred, you can contact us at 641-236-3174 or send a secure email to info@grinnellbank.com.

For Bill Payment problems, please contact FISERV CHECKFREE Partner Care Support at 1-844-596-1918.
